Yes – no problem. 10:15am on Wednesday Oct 8. Pete should walk – his hotel is across the street.

And yes, we're at 1200 6th Ave, Seattle 98101. He can enter the building from the corner of 6th Ave & University Street. We do have a new security screening process since we've renovated our office spaces. Once in the building, Pete should proceed behind the guard in the building's lobby and he'll be screened by federal guards – see the blurb below for more information. If you or Pete have any questions or need to change anything – don't hesitate to call/write.

When visiting the Region 10 Office in Seattle, please enter at 6th and University and proceed to the security desk in the lobby. You will be directed through a security screening station and then into our Public Environmental Resource Center. The Customer Service Staff will contact your EPA host who will escort you to your destination in the building.

Note: EPA's Federal Security Screeners prohibit certain items from the premises. Those include firearms, blades over 2 ½" in length, box cutters and other cutting tools, club-like items, explosives and hazardous chemicals including mace, pepper spray and spray paint. Prohibited items are confiscated at the security station and turned over to Federal Protective Services (FPS is a division of the Department of Homeland Security). Retrieval of the items must occur at a later date through FPS.

Hi Matt,

Ok, we are golden except for one tiny detail. Can we move the meeting to 10:15 am? Pete has a meeting until 10am and then could walk or drive over to the EPA. He is staying at the Crown Plaza.

I apologize, I tried changing the other meeting but was not successful. Please let me know if you have any questions or concerns.

Address to the meeting – 1200 6th Avenue, Suite 900

Is there any procedures i.e. check in on a certain floor? Security?

Thanks and have a great evening.

Laura

The Seattle Hilton is literally across the intersection from our office. The Sheraton is a block away (would be my first choice), the Crowne Plaza is also a block away, and the Fairmont Olympic (\$\$\$) is two blocks away. Avoid booking a hotel near the airport – it would require a 20-30min train or cab ride.

I don't think there will more attendees.

Please give me hotel recommendations.

Thank you!!

Will do! Pete, Susan Child ...anyone else?

If you need hotel recommendations for Seattle, let me know.

Hi Matt,

Please put Pete Slaiby down for 9 am for his meeting. I cannot talk with him right now but I need that slot of time.

Thanks,

Laura

Hi Dennis,

I would like to set up a meeting with you on October 8th, is this possible? Please advise your schedule.

Cheers,

Laura
